

# CHARITY DONATION CHALLENGE

– NOW WITH EXTENDED DATE!

During Annual Event we launched our Charity Donation Challenge and we are so very grateful for your immense generosity. To transform the lives of even more children, we have decided to extend the campaign until the end of the year. For every child you support, both Zinzino Corporate and our founders Hilde and Ørjan will match that, resulting in education for three children per donation!

Zinzino Gives Back’s mission is to provide support for programs that help boys and girls out of poverty and into education. Over the past few years, together with Glocal Aid, Zinzino has supported 1,000 children in three schools in India: Ebenezer school in Karwi, Uttar Pradesh, Kukrah School in Kukrah, Bihar, and Grace school in Birpara, West Bengal.

TOGETHER WE TRANSFORM THE LIVES OF CHILDREN!
