

LOCAL EVENT CAMPAIGN

Get a ticket, bring a guest and Zinzino will give each one of you a free Zinoshine+.

WOW! That is a great deal, huh? But how many events is it possible to create?

Each city* who gathers at least 50 people to an event will receive a ZinoShine+ product for every participating Partner and guest (max TWO products per sold ticket) plus one or more Vitamin D concept roll ups, all for free. You may attend events in several cities and each organizer may arrange up to three events in each city during the Campaign period from October 24 to December 31, 2021.

The BIG question is this! How many events will you be able to bring a guest to, and given this kind of deal, how many of your team Partners will bring a guest to an event? We believe there is potential for hundreds of events to take place, with tens of thousands of Partners and guests attending.

PRACTICAL INFORMATION

Locate the events in the [Zinzino Event calendar](#). Buy event tickets from your local organizer. You will receive the free products when you check in at the event.

There is only one free product to each event ticket that is sold, so if you bring several guests you will need a ticket for every 2 additional guest you are bringing.

All Partners can participate in multiple cities and attend multiple events in each city, as long as they buy a ticket to each event.

The roll ups will be sent to the local event organizer or a person in their upline. The Zinoshine+ products will be sent out to the local event organizer or a person in their upline.

Start creating that snowball effect now! Get all your active team Partners to join the events. Set a common goal for your whole team to bring at least one guest to each event.

The race is on! Get as many participants as you can.
