

BALANCEOIL+ AQUAX

ALL-NATURAL FORMULATED SUPPLEMENTARY SPORTS FOOD

HIGHLIGHTS REGARDING BALANCEOIL+ AQUAX

BalanceOil+ AquaX is a breakthrough in Omega-3 science. AquaX is a form of BalanceOil that contains Aquacelle, a unique natural emulsifier that dissolves BalanceOil in water. This dramatically improves the taste, texture and in many cases the absorption of Omega-3. Just mix the daily dosage of BalanceOil+ AquaX in water or any cold liquid of your choice and experience how taste and texture of fish oil practically disappear. Simply shake the bottle, then pour, stir, drink and enjoy!

Content: 300 mL

ALL-NATURAL INGREDIENTS

- ▶ Fish oil from wild-caught small fish
- ▶ Cold-pressed extra virgin olive oil
- ▶ The emulsifier Aquacelle, which is made from natural sources
- ▶ Contains only natural flavour

GET BALANCED

Bring your Omega-6:3 ratio to 3:1 balance in 120 days.

TEST-BASED NUTRITION

See your individualized before and after test results.

ULTRA-PURE

Molecularly tested for toxins to ensure freshness, safety and purity you can trust.

NEXT GEN NUTRITION

Synergistic formula that as part of regular exercise contributes to heart health.

CARE FOR THE FUTURE, TODAY

By choosing BalanceOil+, you're supporting a balanced ocean ecosystem with a certified sustainable source of wild-caught fish.

EPA = Eicosapentaenoic Acid DHA = Docosahexaenoic Acid
Percentage daily intakes are based on an average adult diet of 8700 kJ.

INGREDIENTS: Fish oil, cold pressed extra virgin olive oil, emulsifiers* (coconut oil fractionated, polyglycerol polyricinoleate, mono and diglycerides of fatty acids, oat oil, lecithin, citrus oil, olive oil), mixed tocopherols (antioxidant), natural lemon flavour, vitamin D (cholecalciferol). Contains fish.

SERVING SUGGESTION: Serving size for adults is based on weight i.e. 0.15 mL x kilo body weight. Adults with body weight 50 kg: 7.5 mL daily, 80 kg: 12 mL daily, 100 kg: 15 mL daily, 120 kg: 18 mL daily etc. Do not exceed recommended daily dose one serve.

IMPORTANT: The daily dosage must always be blended with any cold liquid in a large glass minimum (1.5 dl / 15 cl / 150 ml). The emulsifier inside the bottle is visible as a thick liquid, and in order to get the right amount of the emulsifier in your daily dosage, the bottle must be shaken properly every time before you pour your daily dose.

Add BalanceOil+ AquaX to water and you have a mild lemon flavour drink. Or, add it to orange juice, iced tea or any cold drink of your choice, but never hot drinks. Then stir it well with a spoon and drink at once because after 2-3 minutes some of the oil will reappear at the top of the glass.

WARNING: Not suitable for children under 15 years of age or pregnant women: Should only be used under medical or dietetic supervision. This is not a sole source of nutrition and should be consumed in conjunction with a nutritious diet, and should be used in conjunction with an appropriate physical training or exercise program.

STORAGE: Store unopened bottles in a dark dry place at room temperature or in refrigerator. Store opened bottles in refrigerator and use within 45 days. The oil may become cloudy at temperatures lower than 4 °C due to the solidification of the olive oil. The oil will clear at room temperature. Keep out of reach of children.

ZINZINO POLYPHENOL BLEND: Hydroxytyrosol, tyrosol, oleuropein, oleocanthal and flavonoids.

ZINZINO BALANCE BLEND: Omega-3 (EPA, DHA, DPA), Omega-7, Omega-9 and Vitamin D₃.

Norwegian Formulation. Made in Norway.

NATURAL: BalanceOil+ is made only from ingredients coming from natural sources.

GMO-FREE: Our products are GMO-free (i.e. free of genetically modified organisms).

FISH OIL

The fish oils used in BalanceOil+ have a strict specification for EPA and DHA that efficiently optimizes the Omega-6:3 fatty acid balance in the body within 120 days. The fish oils we use are primarily derived from short-lived, small pelagic fish such as sardines and anchovies. The fish oils are derived from whole, unprocessed fish. The oil goes through a refining process to remove environmental contaminants (if any is present) and is certified as free from heavy metals and other toxins. LYSI, the manufacturer of BalanceOil+, meets all regulatory requirements for production, and follows GMPs (Good Manufacturing Practices) for food and pharmaceutical products.

EXTRA VIRGIN OLIVE OIL

The Spanish Picual olive is selected due to its richness in Omega-9 and very high antioxidant content. The olives are of pre-harvest quality and in the process the stones are taken out and only the fruits are cold-pressed, resulting in an extra virgin oil rich in Omega-9 (oleic acid) with very high content of antioxidants called polyphenols (above 750 mg/kg), both with several beneficial effects. The polyphenols protect BalanceOil+ in the bottle but even more importantly, also your cells.⁶

VITAMIN D₃

BalanceOil+ contains vitamin D₃ (cholecalciferol). We use a natural vitamin D₃ (cholecalciferol) made from lanolin. Lanolin is a naturally occurring fat found in sheep's wool. The vitamin D₃ is made by dissolving a precursor to vitamin D₃ from the lanolin. It is then chemically altered and activated by exposure to ultraviolet (UV) light. The chemical process is comparable to the process which occurs in the human skin when it produces vitamin D₃.

NATURAL TOCOPHEROLS

Mixed tocopherols are commonly used antioxidants in dietary supplements. The natural tocopherols used are made from GMO-free, highly refined soy bean oil distillates, which undergo further refining and therefore do not contain any soy proteins. This means there are no allergens present. The typical composition is: alpha-, beta-, gamma- and delta-tocopherols.

AQUACELLE - A NATURAL EMULSIFIER

The emulsifier used in BalanceOil+ AquaX is made only from natural sources e.g. coconut oil, citrus oil, oat oil and similar. When AquaX is mixed with a cold liquid, the emulsifier dissolves the AquaX into very small droplets and thus it blends with the liquid. The texture and the taste of the AquaX almost disappears. Blend it with orange juice or any other drink with a strong flavour and the taste will totally disappear. Never blend AquaX with warm liquids.

IMPORTANT

It is very important to shake the bottle properly every time you want to pour your daily dosage into your glass.

*Aquacelle Patent pending

KEY FEATURES OF BALANCEOIL+ AQUAX

Traditional fish oils have a taste and smell that many simply do not like. BalanceOil+ AquaX being a fish oil / olive oil blend, which tastes better than pure fish oil but there is still a slight taste of fish and olive and the texture of oil that you will experience in your mouth. Some people, especially children, struggle with oils in general, and some are poor absorbers. When BalanceOil+ AquaX is blended with water, however, the Aquacelle emulsifier almost makes the taste and the texture disappear.

FISH AND OLIVE OIL SYNERGY = RESULTS

Our scientists formulated BalanceOil+ to combine the Omega-3 with the correct amounts of olive oil that provides Omega-9 and antioxidants in extra high amounts. This synergistic combination makes it possible to safely adjust and maintain good Omega-3 levels in your body to achieve an Omega-6:3 Balance below 3:1.

PROOF OF BALANCE IN 120 DAYS

Our certified laboratories are responsible for analyzing the dried blood spot tests for eleven fatty acids in the blood, making our database the world's largest of its kind. The average Omega-6:3 ratio for people not taking an Omega-3 supplement is 12:1 for Northern Europe, 15:1 for Europe and 25:1 for the USA. After taking BalanceOil+ products for 120 days, the average ratio for most people is below 3:1.

KEY BENEFITS

- ▶ **Good source of Omega-3 Fatty Acids**
- ▶ **As part of regular exercise contributes to heart health**
- ▶ **Contains vitamin D**
- ▶ **Helps support your body and nutrition goals**
