

BALANCEOIL+ AQUAX

ALL-NATURAL POLYPHENOL OMEGA BALANCE DIETARY SUPPLEMENT

HIGHLIGHTS REGARDING BALANCEOIL+ AQUAX

BalanceOil+ AquaX is a breakthrough in Omega-3 science. AquaX is a form of BalanceOil that contains Aquacelle, a unique natural emulsifier that dissolves BalanceOil in water. This dramatically improves the taste, texture and in many cases the absorption of Omega-3. Just mix the daily dosage of BalanceOil+ AquaX in water or any cold liquid of your choice and experience how taste and texture of fish oil practically disappear. Simply shake the bottle, then pour, stir, drink and enjoy!

Content: 300 mL (10.1 FL OZ)

ALL-NATURAL INGREDIENTS

- ▶ Fish oil from wild-caught small fish
- ▶ Cold-pressed extra virgin olive oil
- ▶ The emulsifier Aquacelle, which is made from natural sources
- ▶ Contains only natural flavor

POLYPHENOL PROTECTION

Protect your cells from rusting (oxidation). Olive oil polyphenols contribute to the protection of blood lipids from oxidative damage.*

GET BALANCED

Bring your Omega-6:3 ratio to 3:1 balance in 120 days.

TEST-BASED NUTRITION

See your individualized before and after test results.

ULTRA-PURE

Molecularly tested for toxins to ensure freshness, safety and purity you can trust.

NEXT GEN NUTRITION

Synergistic formula that contributes to normal heart, brain and immune function.*

CARE FOR THE FUTURE, TODAY

By choosing BalanceOil+ AquaX, you're supporting a balanced ocean ecosystem with a certified sustainable source of wild-caught fish.

† Daily Value (DV) not established

INGREDIENTS: Fish oil (anchovy, mackerel, sardine), cold pressed olive oil, coconut oil fractionated, polyglycerol polyricinoleate, mono and diglycerides of fatty acids, oat oil, sunflower lecithin, citrus oil, olive oil, tocopherols preserve freshness, natural lemon flavor, cholecalciferol.

SUGGESTED USE: 0.0136 tsp x lb body weight. Adjust serving size based on body weight, for example: Adults with body weight 110 lbs: 1.5 tsp daily, 150 lbs: 2.0 tsp daily, 220 lbs: 3.0 tsp daily (1 tsp = 5 mL). Do not exceed recommended daily dose. Combine dietary supplements with a balanced diet and healthy lifestyle for best results.

IMPORTANT: The daily dosage must always be blended with any cold liquid in a large glass minimum (1.5 dl / 15 cl / 150 ml). The emulsifier inside the bottle is visible as a thick liquid, and in order to get the right amount of the emulsifier in your daily dosage, the bottle must be shaken properly every time before you pour your daily dose.

Add BalanceOil+ AquaX to water and you have a mild lemon flavor drink. Or, add it to orange juice, iced tea or any cold the drink of your choice, but never hot drinks. Then stir it well with a spoon and drink at once because after 2-3 minutes some of the oil will reappear at the top of the glass.

STORAGE: Store unopened bottles in a dark dry place at room temperature or in refrigerator. Store opened bottles in refrigerator and use within 45 days. The oil may become cloudy at temperatures lower than 4 °C (39 °F) due to the solidification of the olive oil. The oil will clear at room temperature. Keep out of reach of children.

WARNING: Consult your physician before using BalanceOil+ AquaX if you are pregnant, nursing, taking prescription drugs or have a medical condition. Do not give BalanceOil+ AquaX to children under four years of age.

PROPRIETARY POLYPHENOL BLEND: Hydroxytyrosol, Tyrosol, Oleuropein, Oleocanthal, Flavonoids.

PROPRIETARY BALANCE BLEND: Omega-3 (EPA, DHA, DPA), Omega-7, Omega-9 and Vitamin D₃.

NATURAL: BalanceOil+ AquaX is made only from ingredients coming from natural sources.

Norwegian Formulation. Produced in Norway.

GMO-FREE: Our products are GMO-free (i.e. free of genetically modified organisms).

FISH OIL

The fish oil we use is produced by LYSI, one of Iceland's leading fish oil producer. It is primarily derived from short-lived, small pelagic fish, such as sardines, anchovies and mackerel, and produced according to our specification. The critical factor is a fatty acid profile that efficiently normalizes the Omega-6:3 fatty acid balance in your body within 120 days.*

Our fish oil is derived from whole, unprocessed fish. The oil goes through a refining process to remove environmental contaminants (if any is present) and is certified as free from heavy metals and other toxins. The fish oil used in Balance products follows the strict EU regulation regarding content of environmental contaminants, and is below all the limits set. LYSI meets all regulatory requirements for production and follows GMPs (Good Manufacturing Practices) for food and pharmaceutical products.

EXTRA VIRGIN OLIVE OIL

The Spanish Picual olive is selected due to its richness in Omega-9 and very high antioxidant content. The olives are of pre-harvest quality and in the process the stones are taken out and only the fruits are cold-pressed, resulting in an extra virgin oil, rich in Omega-9 (Oleic acid) with very high content of antioxidants called polyphenols (above 750 mg/kg), both with several beneficial effects.*

The polyphenols protect the BalanceOil+ AquaX in the bottle but even more importantly, also your cells. Our products are GMO-free (i.e. free of genetically modified organisms).

VITAMIN D₃

BalanceOil+ AquaX contains vitamin D₃ (cholecalciferol). We use a natural vitamin D₃ (cholecalciferol) made from lanolin. Lanolin is a naturally occurring fat found in sheep's wool. The vitamin D₃ is made by dissolving a precursor to vitamin D₃ from the lanolin. It is then chemically altered and activated by exposure to ultraviolet (UV) light. The chemical process is comparable to the process which occurs in the human skin when it produces vitamin D₃.

NATURAL TOCOPHEROLS

Mixed tocopherols are commonly used antioxidants in dietary supplements. The natural tocopherols used are made from GMO-free, highly refined soy bean oil distillates, which undergo further refining and therefore do not contain any soy proteins. This means there are no allergens present. The typical composition is: alpha-, beta-, gamma- and delta-tocopherols. Caution: If you are allergic to soy, please check with your physician.

AQUACELLE - A NATURAL EMULSIFIER

The emulsifier used in BalanceOil+ AquaX is made only from natural sources e.g. coconut oil, citrus oil, oat oil and similar. When AquaX is mixed with a cold liquid, the emulsifier dissolves the AquaX into very small droplets and thus it blends with the liquid. The texture and the taste of the AquaX almost disappears. Blend it with orange juice or any other drink with a strong flavor and the taste will totally disappear. Never blend AquaX with warm liquids.

IMPORTANT

It is very important to shake the bottle properly every time you want to pour your daily dosage into your glass.

ZINZINO

KEY FEATURES OF BALANCEOIL+ AQUAX

Traditional fish oils have a taste and smell that many simply do not like. BalanceOil+ AquaX being a fish oil / olive oil blend, which tastes better than pure fish oil but there is still a slight taste of fish and olive and the texture of oil that you will experience in your mouth. Some people, especially children, struggle with oils in general, and some are poor absorbers. When BalanceOil+ AquaX is blended with water, however, the Aquacelle emulsifier almost makes the taste and the texture disappear.

FISH AND OLIVE OIL SYNERGY = RESULTS

Our scientists formulated BalanceOil+ AquaX to combine the Omega-3 with the correct amounts of olive oil that provides Omega-9 and antioxidants in extra high amounts. This synergistic combination makes it possible to safely adjust and maintain good Omega-3 levels in your body to achieve an Omega-6:3 Balance below 3:1.*

PROOF OF BALANCE IN 120 DAYS

Our certified laboratories are responsible for analyzing the dried blood spot tests for eleven fatty acids in the blood, making our database the world's largest of its kind. The average Omega-6:3 ratio for people not taking an Omega-3 supplement is 12:1 for Northern Europe, 15:1 for Europe and 25:1 for the USA. After taking BalanceOil+ products for 120 days, the average ratio is for most people below 3:1.

NORMAL BRAIN FUNCTION

EPA and DHA help maintain optimal brain function.*

GOOD FOR YOUR HEART

EPA and DHA contribute to the normal function of our hearts.*

IMMUNE SYSTEM

BalanceOil+ AquaX contains vitamin D₃, vitally important for the immune system as it contributes to its normal function.*

OXIDATION PROTECTION

Hydroxytyrosol from olives contributes to the protection of blood lipids from oxidative damage when the daily dose is 5 mg or more.* Lipids are fat-like substances found in your blood and body tissues, such as cholesterol or triglycerides which are important for our heart health.

KEY BENEFITS

- ▶ **Helps maintain polyphenol levels in your body to protect blood lipids from oxidative stress***
- ▶ **Contributes to normal brain and heart function since the daily dosage contains 700 mg DHA***
- ▶ **Contributes to normal immune function since the daily dosage contains 20 µg of Vitamin D₃***
- ▶ **Supports healthy and normal eye function since it contains 700 mg of DHA***
- ▶ **Contributes to healthy bones, muscles, teeth and cells since the daily dosage contains 20 µg of Vitamin D₃***
- ▶ **Helps maintain good levels of EPA and DHA in your body***
- ▶ **Helps maintain optimal Omega-6:3 levels in your body***
- ▶ **Supports normal blood triglyceride levels, normal blood pressure and normal blood calcium levels***
