

BALANCEOIL+ PREMIUM

POLYPHENOL OMEGA-3 AND VITAMIN D SUPPLEMENT

REVOLUTIONARY EXTRA VIRGIN OLIVE OIL IN BALANCEOIL+ PREMIUM

Superiority comes at a premium. BalanceOil+ Premium is an evolution of our all-natural Polyphenol Omega Balance food supplement. The exceptional and innovative blend, using R.E.V.O.O oil, provides a powerful supply of polyphenols and several phytonutrients. This is why BalanceOil+ Premium enables more efficient and effective absorption and blood lipid protection than ever; safely increasing your Omega-3 levels, adjusting your Omega-6:3 ratio, creating beneficial levels for your cholesterol, your heart², and for your brain¹.

ALL-NATURAL INGREDIENTS

- ▶ Natural triglyceride fish oil
- ▶ Cold-pressed revolutionary extra virgin olive oil
- ▶ Vitamin D₃ from lanolin
- ▶ Mixed tocopherols from a vegetable source
- ▶ Certified natural flavours

POLYPHENOL PROTECTION

Protect your cells from rusting (oxidation). Olive oil polyphenols contribute to the protection of blood lipids from oxidative damage.⁶

GET BALANCED

Bring your Omega-6:3 ratio to 3:1 balance in 120 days.

TEST-BASED NUTRITION

See your individualized before and after test results.

ULTRA-PURE

Molecularly tested for toxins to ensure freshness, safety and purity you can trust.

NEXT GENERATION NUTRITION

Synergistic formula that contributes to normal heart,² brain¹ and immune³ function.

CARE FOR THE FUTURE, TODAY

By choosing BalanceOil+ Premium, you're supporting a balanced ocean ecosystem with a certified sustainable source of wild-caught fish.

BALANCEOIL+ PREMIUM: FISH AND OLIVE OIL IN HARMONY FOR PROVEN RESULTS

The scientific formulation inside BalanceOil+ Premium combines a unique fish oil grade with beneficial amounts of both Omega-3 and Omega-7, along with a scientifically certified measure of olive oil that provides polyphenols, phytonutrients, and Omega-9 in extra high quantities, and thus contributes to the enhanced oxidative stability of Omega-3 lipids⁶.

The polyphenols bind to the Omega-3s and act as effective antioxidants, preventing the lipids from oxidating⁶. The enhanced polyphenols of R.E.V.O.O oil mimic the polyphenols naturally present in fish and transfer the fragile Omega-3 through the body until delivering them securely within the cell membranes. The polyphenols and the marine lipids collaborate in a highly synergetic way, making it possible for the body to safely absorb, adjust, and maintain the Omega-3 levels above the required 8% necessary to achieve an Omega-6:3 balance below 3:1.

The average Omega-6:3 ratio for people not taking an Omega-3 supplement is 12:1 for Northern Europe, 15:1 for Europe, and 25:1 for USA, as revealed by researching the world's largest database of essential fatty acids, with 600,000+ tests analyzed at the independent laboratory, Vitas Analytical Services. After taking BalanceOil+ Premium products for 120-days, the average ratio in all of these geographical areas is below 3:1.

THE REVOLUTIONARY EXTRA VIRGIN OLIVE OIL IN BALANCEOIL+ PREMIUM

Balance Oil+ Premium is made with extra virgin olive oil from a patented production process that gives us the proprietary R.E.V.O.O oil from certified Koroneiki olives with unparalleled levels of polyphenols, oleic acid, and several phytonutrients and more. In fact, R.E.V.O.O is up to 30-times higher in polyphenols than standard extra virgin olive oils. Its richness in Omega-9 (Oleic acid) is another important feature, which actively supports the normalization of blood cholesterol levels¹⁵. It is a high premium component and individually retails at €69.00 per 250 ml, and its phenomenal nutrient density can be seen below:

THE REVOLUTIONARY EXTRA VIRGIN OLIVE OIL PHYTONUTRIENT PROFILE

Olive Polyphenols	2650 mg / kilo
Hydroxytyrosol & Tyrosol	1300 mg / kilo
Oleocanthal + Oleacein	1200 mg / kilo
Oleuropein	20 mg / kilo
Squalene	3740 mg / kilo
Vitamin E	330 mg / kilo
Maslinic acid	56 mg / kilo

THE SPECIALIST BLEND OF FISH OIL SUPPORTING NORMAL HEART AND BRAIN FUNCTION

The fish oil used in BalanceOil+ Premium products is a selectively sourced fish oil grade 20/10 EPA/DHA (vs the industry standard of 18/12), with a unique essential fatty acid profile for both Omega-3 (EPA, DHA, DPA) and Omega-7 (POA, VA).

The fish oils we select are derived from short-lived, wild-caught, small pelagic fish. Primarily, these are anchovies, but we also include sardines and mackerel. All of our oil is derived from fishing areas certified by Friend of the Sea for sustainable fishing in unpolluted waters, something that is ecologically imperative and essential when it comes to getting a high-quality oil that is free from heavy metals, PCBs, and other toxins.

The fish are carefully steam cooked (no chemicals or solvents are used in this process at any stage), and then the whole fish is pressed in order to retrieve the oil (approx. 3-5% of the fish). As with all fish oils, the oil needs to be refined through a 4-step process. This is done by the manufacturer, LYSI in Iceland, and it eliminates flavours, odors, and any environmental contaminants that otherwise could spoil the quality of the product. Hence our fish oil complies with all EFSA, FDA, and other strict regulations that are found around the globe.

LYSI meets all regulatory quality requirements and are GMP certified for food and pharmaceutical products. Thus, the BalanceOil+ Premium and the regular BalanceOil+ products are also GMP certified.

NATURAL TOCOPHEROLS

Mixed tocopherols are a commonly used antioxidant in dietary supplements. The natural tocopherols used are specifically made from GMO-free, highly refined, soybean oil distillates, which undergo further refining to ensure that they do not contain any soy proteins. This means that no allergens are present within the product. The typical composition inside BalanceOil+ Premium is alpha-, beta-, gamma-, and delta-tocopherols.

VITAMIN D₃

BalanceOil+ Premium contains vitamin D₃ (cholecalciferol). We use a natural vitamin D₃ made from lanolin, a naturally occurring fat found in sheep's wool. The vitamin D₃ is made by dissolving a precursor to vitamin D₃ from the lanolin. It is then chemically altered and activated by exposure to ultraviolet (UV) light. The chemical process is comparable to the process which occurs in the human skin when it produces vitamin D₃ due to sunlight exposure.

Norwegian Formulation

ZINZINO

KEY BENEFITS OF PRODUCT PACKED WITH POLYPHENOLS AND PHYTONUTRIENTS

- ▶ **Contributes to normal brain function¹ and heart function² since the daily dosage contains 700 mg DHA**
- ▶ **Contributes to a normal immune system³ since the daily dosage contains 20 µg Vitamin D₃**
- ▶ **Helps maintain good levels of EPA and DHA in your body**
- ▶ **Helps maintain optimal Omega-6:3 levels in your body**
- ▶ **Helps maintain polyphenol levels in your body to protect blood lipids from oxidative stress⁶**
- ▶ **Supports healthy and normal eye function since it contains 700 mg DHA⁷**
- ▶ **Contributes to normal bones¹¹, muscle function¹², normal teeth¹³ and cell division¹⁴ since the daily dosage contains 20 µg Vitamin D₃**
- ▶ **Supports normal blood triglyceride levels⁸, normal blood pressure⁹ and normal blood calcium levels¹⁰**
- ▶ **Oleic acid contributes to normal cholesterol levels¹⁵**

BRAIN FUNCTION

EPA and DHA have approved health claims for maintaining normal brain function¹. For pregnant and lactating women, DHA contributes to normal brain development of the fetus and breastfed infants.¹ The long-chained Omega-3 fatty acids are important for our health, and for the health of the next generation too.

HEART FUNCTION

EPA and DHA have approved health claims for heart health. They contribute to the normal function of our hearts.²

THE IMMUNE SYSTEM

BalanceOil+ Premium contains vitamin D₃, vitally important for the immune system as it contributes to its normal function.³

OXIDATION PROTECTION

Hydroxytyrosol from olives contributes to the protection of blood lipids from oxidative damage when the daily dose is 5 mg or more.⁶ Lipids are fat-like substances found in your blood and body tissues, such as cholesterol or triglycerides which are important for our heart health.

† Daily Value (DV) not established

INGREDIENTS: FISH OIL (ANCHOVY, MACKEREL, SARDINE), COLD PRESSED OLIVE OIL, TOCOPHEROLS (TO PRESERVE FRESHNESS), NATURAL ORANGE LEMON MINT FLAVOR, CHOLECALCIFEROL. CONTAINS ANCHOVY, MACKEREL, SARDINE.

4 TIMES HIGHER POLYPHENOLIC CONTENT THAN REGULAR BALANCEOIL+

ZINZINO POLYPHENOL BLEND: Hydroxytyrosol, tyrosol, oleuropein, oleocanthal and flavonoids.

ZINZINO BALANCE BLEND: Omega-3 (EPA, DHA, DPA), Omega-7, Omega-9 and Vitamin D₃.

SUGGESTED USE: 0.0136 tsp per lb body weight. Adjust serving size based on body weight, for example: Adults with body weight 110 lbs: 1.5 tsp daily, 150 lbs: 2.0 tsp daily, 220 lbs: 3.0 tsp daily (1 tsp = 5 mL). Do not exceed recommended daily dose. Combine dietary supplements with a balanced diet and healthy lifestyle for best results.

WARNING: Consult your physician before using BalanceOil+ Premium if you are pregnant, nursing, taking prescription drugs or have a medical condition. Do not give BalanceOil+ Premium to children under four years of age.

STORAGE: Store unopened bottles in a dark dry place at room temperature or in refrigerator. Store opened bottles in refrigerator and use within 45 days. The oil may become cloudy at temperatures lower than 4 °C (39 °F) due to the solidification of the olive oil. The oil will clear again at room temperature. Keep out of reach of children.

CONTENT: 300 mL (10.1 FL OZ)
