

# KETO COFFEE - VANILLA CRÈME

**KETO-STYLE COFFEE, VANILLA CREME FLAVORED FOOD SUPPLEMENT WITH MCTS, BUTTER & ESSENTIAL MINERALS**

## PRODUCT OVERVIEW

Creamy keto-style vanilla coffee with MCTs, butter, and essential minerals—designed to complement your daily routine with a convenient, great-tasting coffee that contributes to normal energy-yielding metabolism<sup>1</sup> and normal nervous system function<sup>3</sup> as part of a balanced diet and healthy lifestyle.

Keto Coffee – Vanilla Crème is a smooth and creamy instant coffee food supplement designed to fit easily into your daily routine. Made with premium Arabica coffee, medium chain triglycerides (MCTs) from coconut, grass-fed butter and collagen, each convenient single-serve packet delivers rich flavor wherever your day takes you. With added calcium and potassium, this formula contributes to normal energy-yielding metabolism<sup>1</sup> and the normal functioning of the nervous system<sup>2,3</sup>. Simply mix with hot or cold water for a delicious, satisfying coffee experience at home, work or on the go.

- ▶ Contains calcium, which contributes to normal energy-yielding metabolism<sup>1</sup>
- ▶ Potassium contributes to normal functioning of the nervous system<sup>3</sup>
- ▶ Calcium contributes to normal neurotransmission<sup>2</sup>
- ▶ Convenient single-serve instant coffee sachet
- ▶ Creamy vanilla flavor with MCTs and butter
- ▶ Easy to enjoy hot or cold

## SUPPLEMENT FACTS

| Nutritional value   | Per 15.9 g         | Per 100 g          |

**STORAGE:** Protect from heat, light, and moisture. Store at room temperature. Do not use if seal is broken or missing.

**INGREDIENTS:** Vegetable oil blend with milk [medium chain triglycerides (MCT-oil) from coconut, skimmed **milk** powder], dairy spread [butter (**milk**), **milk** proteins], coffee (*Coffea arabica* L.) powder, natural flavoring, bovine collagen hydrolysate, thickener (xanthan gum), anti-caking agent (silicon dioxide), Himalayan pink salt, calcium lactate, coffee extract, sweetener (steviol glycosides from stevia).

Contains: **Milk**

**CONTENT:** 15 (15.9 g) single serve packets, Net weight 239 g

## KEY BENEFITS

### Contributes to normal energy-yielding metabolism<sup>1</sup>

- ▶ Keto Coffee – Vanilla Crème provides calcium, which contributes to normal energy-yielding metabolism<sup>1</sup>. This means it plays a role in supporting the body's natural processes for converting nutrients into energy as part of a varied and balanced diet and healthy lifestyle.

### Contributes to normal neurotransmission<sup>2</sup>

- ▶ Calcium in Keto Coffee – Vanilla Crème contributes to normal neurotransmission<sup>2</sup>. Neurotransmission is an important process involved in communication between nerve cells, supporting normal nervous system function.

### Contributes to the normal functioning of the nervous system<sup>3</sup>

- ▶ Keto Coffee – Vanilla Crème contains potassium, which contributes to the normal functioning of the nervous system<sup>3</sup>. This essential mineral supports normal nerve signalling as part of everyday physiological function.

### Convenient coffee with MCTs and essential minerals

- ▶ Keto Coffee – Vanilla Crème combines premium Arabica coffee with MCT oil from coconut, butter and collagen peptides in a smooth, creamy format. Delivered in convenient single-serve sachets, it offers an easy way to enjoy a rich coffee experience while complementing your daily nutrition routine as part of a balanced lifestyle.

## HEALTH CLAIMS (EU)

<sup>1</sup> Calcium contributes to normal energy-yielding metabolism and normal neurotransmission.

<sup>2</sup> Calcium contributes to normal neurotransmission.

<sup>3</sup> Potassium contributes to normal functioning of the nervous system.
