

MAXIMIZE

ENERGIZING BLACK ALGAE MASK – FOR ALL SKIN TYPES

DETOX

BENEFITS OF MAXIMIZE

MAXIMIZE IS A HIGHLY ACTIVE, COOLING MASK PACKED WITH POWERFUL INGREDIENTS FOR A COLLAGEN BOOST WITH BAMBOO CHARCOAL FOR ENZYMATIC EXFOLIATION. ACTIVATES SKIN FUNCTIONS FOR REFINED, SMOOTHED AND PLUMPED SKIN. FOR ALL SKIN TYPES.

MAXIMIZE consists of a highly potent mix of active ingredients comprised of plant stem cells from Swiss snow algae and edelweiss, a unique combination of brown algae, vitamins and bamboo charcoal for exfoliation. A powerful moisture complex with short- and long-chain hyaluronic acids ensures long-lasting moisturization of the skin.

Detox your skin with activated bamboo charcoal. Meritoriously helps in cleansing the skin by unclogging pores and removing oil, dirt and impurities, absorbing minerals, toxins and other harmful substances from your skin. It also helps exfoliate dead skin cells. This essential first step leads to a clean, baby-soft, supple, even-toned and refined skin.

Content: 5 x 10 ml

KEY BENEFITS

- ✓ Exfoliates and deeply purifies for a visibly brighter and refined complexion.
- ✓ Protects against oxidative stress.
- ✓ Cools, replenishes and hydrates the skin, and boosts collagen production.
- ✓ Activates skin functions for refined, smoothed and plumped skin.

HOW TO USE

Apply one mask two to three times a week on your face for 10 to 15 minutes (avoiding the eye contour area). Remove with lukewarm water or a damp cloth and follow with your morning or evening routine.

NOTE

Store in a cool, dry place. Keep away from children. Use within six months after opening.

ESSENTIAL INGREDIENTS

Edelweiss (Majestem) and Snow Algae Stem Cells | Moisture Complex | Vitamin A (Retinylpalmitat) | Vitamin E (Tocopherol) | Carrageenan Algae | Mimosa | Horse Chestnut | Bamboo Charcoal | Brown Algae

FREE OF

Silicones | Parabens | Mineral Oils | Paraffins | Petrolates | Sodium Lauryl Sulfates | Phenoxyethanols | Polyethylene Glycol | Phthalates | Microplastics | Synthetic Fragrances & Dyes | Synthetic Sunscreens | Nanoparticles

PLANT STEM CELL TECHNOLOGY

STEM CELL EXTRACTION FROM AWARDING-WINNING MAJESTEM™ (EDELWEISS) AND SNOW ALGAE

This biotechnological procedure maintains and activates the skin's stem cells. Activated stem cells positively affect multiple areas, including genes, cells, matrix and tissue – areas closely linked to reducing signs of aging. They protect cell DNA, stimulate and improve natural cell renewal, strengthen skin structure, and make skin smooth for firmer and younger-looking skin.

MOISTURIZES

MOISTURE COMPLEX – CRISTALHYAL® (ECOCERT/COSMOS APPROVED)

The high-molecular weight, long-chain, biotechnologically derived hyaluronic acid (obtained by fermentation) attaches itself to the skin's deep layer. Here, it forms a protective external layer over the skin. It smooths the skin, making it soft and locking moisture into the deep layer.

OTHER EFFECTS

- ✔ **VITAMIN E (TOCOPHEROL)** fights oxidative stress by blocking free radicals, increases skin hydration, prevents the appearance of wrinkles, is anti-inflammatory, acts as natural protection against the effect of UV rays. Blocks environmental toxins by acting as a skin barrier.
- ✔ **VITAMIN A (RETINYL PALMITATE)** is a powerful antioxidant that can effectively treat mild acne and provides anti-aging benefits by boosting collagen production.
- ✔ **CARRAGEENAN ALGAE** is rich in fatty acids and phenols that preserve the skin's natural protective film and fights dryness. Provides a unique texturizing and silky feel.
- ✔ **MIMOSA** regenerates, repairs and protects epidermal tissues. Increases the formation of new cells, diminishes the appearance of skin blemishes and wrinkles, stimulates collagen production, repairs and softens the skin.
- ✔ **HORSE CHESTNUT** stimulates microcirculation, gently supporting blood flow. In addition, it improves and protects the function of capillary walls and visibly reduces swelling.

- ✔ **BAMBOO CHARCOAL** absorbs minerals, toxins, impurities and other harmful substances from skin. It exfoliates, removing dead skin cells and other debris from its surface. Draws out impurities from deep within the pores, helps to control pimples and breakouts and stimulates cell growth.
- ✔ **BROWN ALGAE/PHEOHYDRANE** is a complex combination of micro-algae extract rich in natural moisture-boosting amino acids, marine sugars with second-skin properties and a remineralizing sea water concentrate. The ideal complex to instantly hydrate the skin and prevent water loss.

ALTERNATIVE PRESERVATIVES

To combat the formation of microorganisms, HANZZ+HEIDII uses nature-identical preservatives, which occur in nature in the same composition, but cannot be obtained in the required quantity or quality. They are therefore synthetically reproduced with the help of chemical reactions, and are approved according to the BDIH natural cosmetics standard conventional preservatives. These do not irritate or dry out the skin.

INGREDIENTS – INCI

AQUA (WATER), PROPANEDIOL, GLYCERIN, DIGLYCERIN, POLYGLYCERYL-3 CAPRATE, CHARCOAL POWDER, TETRASODIUM GLUTAMATE DIACETATE, POTASSIUM SORBATE, SODIUM BENZOATE, TOCOPHEROL, RETINYL PALMITATE, CHONDRUS CRISPUS (CARRAGEENAN), GLUCOSE, SODIUM HYALURONATE, XANTHAN GUM, SODIUM HYDROXIDE, SODIUM ALGINATE, HYDROLYZED ALGIN, MARIS AQUA (SEA WATER), CHLORELLA VULGARIS EXTRACT, AESCULUS HIPPOCASTANUM (HORSE CHESTNUT) BARK EXTRACT, MALTODEXTRIN, LECITHIN, COENOCHELORIS SIGNIENSIS EXTRACT, BIOSACCHARIDE GUM-1, GLYCERYL CAPRYLATE, SODIUM ANISATE, SODIUM LEVULINATE, MIMOSA TENUIFLORA BARK EXTRACT, LEONTOPODIUM ALPINUM CALLUS CULTURE EXTRACT, CITRIC ACID, PARFUME (FRAGRANCE), CITRAL, LINALOOL, LIMONENE
