KEY BENEFITS

The power of our ingredients:

Terpenes complex or “Terprozol”

- ▶ A unique terpene complex combined with hops cellular extract (*Humulus lupulus*), developed as part of the SKNY-U formula. These carefully selected ingredients are included to complement a lifestyle focused on fitness and body goals. The formula is designed for individuals looking to stay consistent with their routine and as part of an active lifestyle.

Terprozol formula

- ▶ The terpene complex in SKNY-U contributes to the distinctive profile of the formula. Together with hops extract, it forms a carefully developed ingredient combination intended for those pursuing fitness and active lifestyle goals.

Synergistic benefits

- ▶ The carefully selected combination of ingredients in SKNY-U creates a balanced formula designed to complement your fitness routine and daily wellness habits. This holistic approach focuses on supporting individuals who want to stay committed to their goals and maintain an active lifestyle.

We believe that achieving your fitness goals shouldn't come at the expense of flavor. SKNY-U is free from artificial additives and offers a clean, carefully developed formula to complement your daily routine. Make SKNY-U part of your journey toward a more active and balanced lifestyle.
