

SOL ROAST

ARABICA COFFEE FOOD SUPPLEMENT WITH B-VITAMINS

KETO-FRIENDLY

GLUTEN-FREE

SUGAR-FREE

PRODUCT OVERVIEW

Wake up to Sol Roast, a premium Arabica-style instant coffee designed to complement your active lifestyle.

Carefully formulated with a blend of coffee, botanicals, amino acids, vitamins, and minerals, Sol Roast delivers an enjoyable coffee experience while fitting easily into your daily wellness routine.

Caffeine: Contains 230 mg caffeine per serving from instant coffee, caffeine anhydrous, and guarana extract.

Energy metabolism support: Vitamin B₆ and vitamin B₁₂ contribute to normal energy-yielding metabolism and the reduction of tiredness and fatigue.¹⁻⁴ While chromium contributes to normal macronutrient metabolism and the maintenance of normal blood glucose levels.⁵⁻⁶

Source of fiber: Acacia gum provides dietary fiber that can be included as part of a balanced diet.

CONTENT: 117.6 g (30 × 3.92 g)

Produced in UK

KEY BENEFITS

Every cup of Sol Roast is carefully crafted with a blend of coffee, amino acids, and botanical extracts:

Amino acids

- ▶ L-citrulline and L-tyrosine are included as part of the amino acid profile to complement the coffee experience.

L-theanine

- ▶ A naturally occurring component of tea, included contributes to the smooth and balanced coffee flavor.

Botanical extracts

- ▶ Green coffee extract, green tea extract, mucuna pruriens extract, and Korean ginseng extract are included as part of the botanical blend, adding depth to the flavor and complementing a ritual of daily enjoyment.
