

IT WORKS! TIMELESS

COLLAGEN BASED DRINK FOOD SUPPLEMENT

KETO-FRIENDLY

SOY-FREE

SUGAR-FREE

PRODUCT OVERVIEW

TIMELESS is a refreshing liquid food supplement designed to complement your daily skin and energy routine. Each serving combines collagen peptides with vitamin C, niacin (vitamin B₃) and vitamin D – nutrients that contribute to normal collagen formation for the normal function of the skin^{1,2}, the protection of cells from oxidative stress and normal energy-yielding metabolism^{3,4,5,6}. With a smooth berry flavor and convenient once-daily format, TIMELESS fits easily into your lifestyle as part of a balanced diet and healthy routine. The formula also includes botanical and plant extracts alongside hyaluronic acid and collagen peptides for a daily wellness drink.

TIMELESS provides a balanced blend of collagen peptides, vitamins and plant extracts in an easy-to-mix liquid supplement. Vitamin C supports collagen formation, while niacin helps maintain healthy skin and contributes to normal energy metabolism^{1,2,5,6}. Vitamin D plays a role in the process of cell division⁷.

Simply add to water or your favorite drink to make TIMELESS part of your everyday routine. Suitable for adults seeking a simple addition to their beauty and wellness regimen. Consistency is key – stay consistent and let IT WORKS! TIMELESS become part of your daily routine.

- ▶ Vitamin C contributes to normal collagen formation for the normal function of the skin¹
- ▶ Niacin contributes to the maintenance of normal skin²
- ▶ Vitamin C contributes to the protection of cells from oxidative stress³
- ▶ Niacin contributes to the reduction of tiredness and fatigue⁴
- ▶ Vitamin C contributes to normal energy-yielding metabolism⁵
- ▶ Niacin contributes to normal energy-yielding metabolism⁶
- ▶ Vitamin D plays a role in the process of cell division⁷
- ▶ Convenient liquid format with 2.5 g of collagen peptides per serving

SUPPLEMENT FACTS

Nutrition information	Per 15 ml	%NRV*
Collagen peptides	2.5 g	-
Monajuventa™ Nu	100 mg	-
Vitamin B ₃ (Niacin)	100 mg NE	625%
Bilberry	55 mg	-
Pomegranate	50 mg	-
Shilajit	30 mg	-
Red beetroot	23.5 mg	-
Reishi	18 mg	-
Vitamin C	12 mg	15%
Green tea	10 mg	-
-EGCG	4 mg	-
Hyaluronic acid	10 mg	-
Coenzyme Q10	5 mg	-
Astragalus	3 mg	-
Shiitake	3 mg	-
Cordyceps	3 mg	-
Lion's mane	3 mg	-
Vitamin D ₃	10 µg	200%

*NRV = Nutrient reference values

RECOMMENDED DAILY DOSAGE: Adults: To prepare one serving, mix 1 tablespoon (15 ml) into 250 ml of water or drink of choice, and drink once per day. Shake well before use. Refrigerate after opening and use within 60 days.

WARNING: Do not exceed the recommended daily dose (1 serving). Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Not recommended for children under 18, pregnant or lactating women. Do not consume more than 800 mg of epigallocatechin-3-gallate (EGCG) daily. Do not consume if you take other green tea products the same day or on an empty stomach. Keep out of the reach of children.

STORAGE: Keep in a dark, cool, and dry place. Do not use if seal is broken or missing.

INGREDIENTS: Water, bovine collagen peptides, stabiliser (glycerol), acid (citric acid), niacin (nicotinamide), Monajuventa™ Nu [scarlet beebalm (*Monarda didyma* L.) flower extract and lemon balm (*Melissa officinalis* L.) leaf extract], acid (malic acid), acidity regulator (phosphoric acid), bilberry (*Vaccinium myrtillus* L.) fruit extract, pomegranate (*Punica granatum* L.) fruit extract, natural flavors, shilajit (*Asphaltum punjabianum*) extract, red beetroot (*Beta vulgaris* L.) extract, sweetener (steviol glycosides from stevia), reishi (*Ganoderma lucidum*) fruiting body extract, preservatives (potassium sorbate, sodium benzoate), vitamin C (L-ascorbic acid), sodium hyaluronate, green tea (*Camellia sinensis* L.) leaf extract, coenzyme Q10 (ubiquinone), vitamin D₃ (cholecalciferol), astragalus (*Astragalus membranaceus*) root extract, shiitake (*Lentinula edodes*) fruiting body extract, lion's mane (*Hericium erinaceus*) fruiting body extract, caterpillar fungus (*Ophiocordyceps sinensis*) extract, turmeric (*Curcuma longa* L.) rhizome extract, grape (*Vitis vinifera* L.) seed extract, fruit powder blend [melon (*Cucumis melo* L.), sea buckthorn (*Hippophae rhamnoides* L.), grape (*Vitis vinifera* L.), wild blueberry (*Vaccinium angustifolium*), raspberry (*Rubus idaeus* L.), prune (*Prunus domestica* L.), cranberry (*Vaccinium macrocarpon*), tart cherry (*Prunus cerasus* L.), bilberry (*Vaccinium myrtillus* L.), strawberry (*Fragaria × ananassa*)].

CONTENT: 30 servings, 450 ml

KEY BENEFITS

Supports normal collagen formation for skin function¹

- ▶ TIMELESS provides collagen peptides together with vitamin C, a nutrient that contributes to normal collagen formation for the normal function of the skin¹. Collagen is an important structural component of the body's connective tissues. By including collagen peptides alongside vitamin C, TIMELESS complements your daily routine with nutrients that support normal collagen formation processes as part of a balanced diet and healthy lifestyle.

Helps maintain normal skin²

- ▶ Niacin (vitamin B₃) in TIMELESS contributes to the maintenance of normal skin². This essential vitamin plays a role in supporting the body's natural skin function and overall well-being. When included as part of a varied and balanced diet, niacin helps complement your daily routine with nutrients that contribute to the maintenance of normal skin.

Helps protect cells from oxidative stress³

- ▶ TIMELESS contains vitamin C, which contributes to the protection of cells from oxidative stress³. Oxidative stress can occur naturally as part of daily life. Including nutrients such as vitamin C in your diet contributes to the protection of cells from oxidative stress as part of a healthy lifestyle.

Contributes to normal energy-yielding metabolism and reduced tiredness^{4,6}

- ▶ TIMELESS also provides niacin, which contributes to normal energy-yielding metabolism and to the reduction of tiredness and fatigue^{4,6}. These authorized health claims highlight the role of niacin in supporting the body's normal energy production processes. When used consistently as part of a balanced diet and active routine, TIMELESS complements daily routine.

HEALTH CLAIMS (EU)

¹ Vitamin C contributes to normal collagen formation for the normal function of the skin

² Niacin contributes to the maintenance of normal skin

³ Vitamin C contributes to the protection of cells from oxidative stress

⁴ Niacin contributes to the reduction of tiredness and fatigue

⁵ Vitamin C contributes to normal energy-yielding metabolism

⁶ Niacin contributes to normal energy-yielding metabolism

⁷ Vitamin D plays a role in the process of cell division
