

TROPICAL BLAST

PINEAPPLE FLAVORED DRINK FOOD SUPPLEMENT WITH CAFFEINE, PROTEIN, AND CHROMIUM. CONTAINS SWEETENER.

PRODUCT HIGHLIGHTS

Get a Blast of Flavor – with Functional Benefits!

Enjoy Tropical Blast, a pineapple-flavored drink mix designed to fit into your active lifestyle. Each serving provides:

- ▶ 80 mg of caffeine
- ▶ A source of protein (from whey protein isolate), which contributes to the growth and maintenance of muscle mass¹⁻²
- ▶ Chromium, which contributes to normal macronutrient metabolism and the maintenance of normal blood glucose levels³⁻⁴
- ▶ A dietary fiber blend (inulin and acacia gum)
- ▶ Just 18.6 kcal per 5 g serving – a low calorie, tropical-tasting option

Tropical formula with caffeine: With 80 mg of caffeine per serving, Tropical Blast is the perfect pick-me-up to fit into your busy day. A balanced formula designed to fit into your active lifestyle and daily routine.

Support your nutrition goals: Each serving provides whey protein isolate, a source of high-quality protein that contributes to the growth and maintenance of muscle mass.¹⁻² Chromium contributes to normal macronutrient metabolism and the maintenance of normal blood glucose levels.³⁻⁴ Designed to complement your balanced nutrition plan.

Low calorie tropical option: With just 18.6 kcal per serving when prepared with water, Tropical Blast offers a low calorie, refreshing option that fits easily into your daily routine.

Produced in UK

KEY BENEFITS

Introducing Tropical Blast – more than just a delicious pineapple-flavored drink. This carefully crafted blend combines refreshing taste with functional ingredients designed to fit into your everyday lifestyle:

Caffeine

- Contains 80 mg of caffeine.

Protein (whey isolate)

- Contributes to the growth and maintenance of muscle mass.¹⁻²

Chromium

- Contributes to normal macronutrient metabolism and the maintenance of normal blood glucose levels.³⁻⁴

Inulin and acacia gum

- Dietary fibers that can be included as part of a balanced diet.

Beta carotene

- A source of vitamin A, which contributes to the maintenance of normal vision and the normal function of the immune system.⁵⁻⁶

Tropical Blast is lightly sweetened with sucralose for a balanced flavor without unnecessary calories. With chromium contributing to the maintenance of normal blood glucose levels⁴, Tropical Blast fits easily into your daily routine and balanced nutrition plan, including as a low-calorie and refreshing option between meals when prepared with water as instructed.
