ENJOY MORE ENERGY*

The B-vitamins (B₁-B₁₂) and also a number of minerals in Xtend such as copper, magnesium, iodine and manganese support normal energy-yielding metabolism.*

SUPPORTS HEALTHY BONE AND JOINT FUNCTION*

Xtend contains several vitamins and minerals that help support and maintain healthy bones and muscles. These are vitamins D, C, K and magnesium, manganese and zinc.*

SUPPORT YOUR IMMUNE SYSTEM*

Xtend is formulated with 1-3, 1-6 beta glucans. Studies suggest that these nutrients, derived from the cell walls of highly purified, proprietary strains of baker's yeast, enhance the immune system.* Several of the compounds (for example folic acid, iron, vitamin B₆, copper) also contribute to this crucial health benefit.*

In addition to the vitamins and minerals, Xtend is also formulated with carotenoids, xanthophylls and a group of polyphenols derived from variety of fruits, spices and vegetables. To get the same amount of all these nutrients from foods, you would have to eat more than 3,000 calories of the most nutrient-dense foods every day.

All the ingredients combined in Xtend support cells, organs and tissues in the body.* Xtend is the perfect complement to BalanceOil products and ZinoBiotic, providing you with a complete nutritional support program.
